About Us

Caritas of Waco has served families in need for over 57 years. We know that it takes more than just food to fight hunger and food insecurity. That is why, in addition to our pantry service, we offer a variety of emergency services and case management programs, providing clients with access to the resources and skills needed to become stable long-term.

We provide support to anyone in need and do not discriminate against race, creed, age, sex, color, national origin, marital status, religion, union or political affiliation, handicap, veteran status, or sexual orientation. This is an equal opportunity provider. The majority of our clients are residents of Waco-McLennan County, although there are no geographical limits to receiving services from Caritas of Waco.

Our Vision

We envision a world where hunger is eliminated in McLennan County, Texas. We work to create this vision through providing direct services through its food pantry as well as through advocacy, while working with other hunger relief programs in Central Texas.
